

# CAPABILITY STATEMENT

**H&H Service Company, Inc.**

4510 Westport Dr.  
Mechanicsburg, PA 17055

## Company Synopsis

[www.HHServiceCompany.com](http://www.HHServiceCompany.com)

Since 1972, **H&H Service Company** has covered the HVAC, boiler, and water heater spectrums with sales and turn-key installations of forced air, hydronic, steam, gas, oil, and electric systems. The company also specializes in preventative maintenance and is certified by more than 30 major manufacturers to provide factory-trained and factory-certified commissioning and warranty repairs. H&H Service Company has extensive experience with the latest embedded programmable and WiFi control systems. H&H Service Company is a Service-Disabled, Veteran-Owned Small Business (SDVOSB) in Mechanicsburg, PA serving central PA and Northern MD between Reading and Altoona. H&H Service Company recently opened a second location serving the Scranton/Wilkes-Barre area.
